FIRE EXTINGUISHERS
SMALL FIRE EXTINGUISHER FOR CHIMNEYS

MBK19 - CHIMNEY

Smart Fire extinguisher for chimneys is the ideal Fire Fighting Product for Chimney Fires. A Chimney fire is very dangerous and can be escalated rapidly. With its activation, it is discharged a mixture of particles and gases that "break" fire triangle (fuel, oxygen and temperature) and achieve suppression. Average suppression time for a Home Chimney is 22 seconds and Product has lifetime 5 years.
